INPUT FROM REGIONAL ADVISORY COMMITTEES	Existing/New	Agency	SWPF Program
Cimarron RAC			
Funds utilized for additional efforts towards conserving and extending the High Plains Aquifer	, specifically by i	ncreasing fur	nding expenditures within the Cimarron
planning region.			
Increased resources to implement water conservation educational programs and efforts	Increase	KWO	Vision Education Strategy
within the Cimarron planning region.  Additional funding towards KDA-DOC water conservation technology efforts.	Increase	KDA-DOC	Irrigation Technology
Promote collaboration with Cimarron RAC and other stakeholders on similar water resource	iliciease	KDA-DOC	irrigation reciniology
issues impacting the region.			
Equus-Walnut RAC			
Equus Beds contamination remediation	Existing	KWO	Equus Beds Chloride Plume Project
Water Technology Farms	Existing	KWO	Water Technology Farms
Improved watershed practices	Existing	KDA	Water Resources Cost Share
Great Bend Prairie RAC			
Support for WTAP and CREP with increased funding	Increase	KDA	Water TAP/CREP
Support for local Conservation Districts and ensuring that they receive their full funding allocations	Increase	KDA	Aid to Conservation Districts
Water quality testing to address issues with chloride and nitrate concentrations	Existing	KDHE	Drinking Water Protection Program
	Existing	KDHE	TMDL Initiatives
Support GMD5 Groundwater Model update	Existing	KWO	Assessment & Evaluation
Continued support for research on alternative crops	Existing	KDA	Crop & Livestock Research
The Great Bend Prairie RAC requests feedback from the KWA Budget Committee addressing of Konson RAC	ur budget recon	nmendations	
Kansas RAC	F I	10.15	W. 1 10
Conservation BMPs in watersheds to reduce sedimentation and improve water quality	Existing	KWO	Watershed Conservation Practice Imp (KRPI)
(Kansas Reservoir Protection Initiative, Milford RCPP, Streambank Stabilization)	Existing	KWO	Milford Lake Watershed RCPP
	Existing	KDA	Streambank Stabilization
Purchase of storage in Reservoirs (with the suggestion that an appeal be made to obtain a lump-sum payment for half or more of the cost, from the arrearage in the State Water Plan Fund now approaching \$80 million)	NEW	KWO	PWS Reservoir Storage Purchase
Continued funding of experimental Water Injection Dredging (WID)	Existing	KWO	Water Injection Dredging (WID)
Support of funding for Soil Health programs under KDA	NEW	KDA	Soil Health
	Existing	KDHE	Nonpoint Source Program
Support of funding for Nonpoint Source programs under KDHE and KDA	Existing	KDA	Nonpoint Source Pollution Asst.
Marais des Cygnes RAC			·
Full restoration of the \$8 million from the Economic Development Initiatives Fund (EDIF) and	State General Fu	nd (SGF) tran	nsfers
Aid to Conservation Districts (KDA) – full funding as directed by Kansas statute	Increase	KDA	Aid to Conservation Districts
Nonpoint Source Pollution (KDA)	Existing	KDA	Nonpoint Source Pollution Asst.
Nonpoint Source Program (KDHE)	Existing	KDHE	Nonpoint Source Program
Soil Health (KDA)	NEW	KDA	Soil Health
