

South Fork Republican River Basin Irrigation Technology Cost-Share Application - 2023

Kansas Water Office
Attn: Keadron Pearson
4532 Jones Ave
Garden City, KS 67846

2023 Application Deadline: **April 07, 2023**

- All applicants only within the South Fork Republican River Basin are eligible
- Priority funding will be given to applicants within ½ mile of the river
- Applicants who received an approved application in 2020 and 2021, but were not able to complete the process, will need to complete a new application in 2023
- Completing this form does NOT guarantee financial assistance
- One application required per irrigated pivot
- Applications can be submitted online, or will be accepted via mail (postmarked by **April 07, 2023**), or by email to the Kansas Water Office (contact information below)
- Notification of acceptance for funding will be relayed by **April 14, 2023**
- If application is approved, Participant Maintenance Agreements, W-9 form, and receipts (or other proofs of payment) must be submitted to the Kansas Water Office by **December 1, 2023** in order to receive payment:
 - o Those approved will receive further instruction and any required forms
 - o All payments will be made directly to the participant(s)
 - **Must be released within calendar year 2023 or funds will be reallocated**
- Limit of \$8,000 per irrigated pivot for measurable conservation upgrades
 - o \$4,000 max for a more water efficient nozzle package (Requires coefficient report)
 - o \$2,000 max for one (1) soil moisture probe with one-year subscription
 - o \$2,000 max for any of the following: Pivot Control Systems, EC Soil Mapping, Aerial Imagery
 - o \$1,500 max for any of the following: Variable Rate Irrigation, Weather Station
 - o Unlisted technologies are encouraged to apply for but approval will be at the discretion of the Kansas Water Office

Funds are provided by the Republican River Compact Settlement through the Kansas Water Office.
